THROUGH : 

SUBJECT : DD/S&T Publications for DDR&E/DOD

1. During your recent conversation with Johnny Foster, he mentioned an interest in seeing representative samples of DD/S&T publications. Accordingly, you asked the Action Staff to acquire one copy of each class or type of publication produced by DD/S&T components (hard-copy versions) so that you might take them along on your next visit to Johnny Foster.

2. Attached is the packet of publications and a listing of the documents. If possible, FMSAC would appreciate the return of its reports when you have no further use for them.
